PRISMATIC CONE COLLARS

11 Boeing Place, Mount Maunganui 3116 Ph: 07 575 0505

2/11 March Place, Belfast, Christchurch 8051 Ph: 03 323 7507

Email: admin@trafficsigns.co.nz www.trafficsigns.co.nz PO Box 4366, Mount Maunganui South 3149

TRAFFIC SIGNS PRISMATIC CONE COLLARS

- ◆ Traffic Signs use Prismatic Wide Observation Angle reflective which is resilient to tearing, ripping or breaking, whereas the alternative glass bead technology is far more brittle
- ◆ Traffic Signs collars have superior day time colour - “white” not “grey”
- ◆ Traffic Signs collars have superior retroreflective performance at night with over twice the candela intensity rating of glass bead class 1 technology
